Dear Ms. Cruz:

On April 1, 2020, the Commission received an electronic request that the Municipality of Anchorage d/b/a Municipal Light and Power (ML&P) be allowed to delay submission of its 2020 biennial report, required by 3 AAC 50.790(e).¹ ML&P indicated that due to the disruption on operations due to the COVID-19 pandemic, it would take until May 15, 2020 to develop the information and file it with the Commission.

We reviewed the request and determined that the extension should be granted; therefore, we grant ML&P's request to extend its 2020 biennial report filing until May 15, 2020. ML&P's attention to this matter is appreciated. If you have any questions regarding this Letter Order, please contact Becki Alvey, Utility Tariff Analyst, at (907) 263-2139.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
